

## **Candidate Statement for Derek Anderson for Napa City Council**

### **FOR MEMBER OF THE CITY COUNCIL**

**DEREK ANDERSON** Age: 44

**Occupation:** Businessman/Entrepreneur

I believe that the City of Napa and America can do better than they are today. I believe in a bright future for us all, but this future requires new ideas and consistent leadership. I believe career politicians impede the flow of new ideas and hold back both our great city and nation. I am committed to enforcing term limits on all aspects of the city government and pledge to serve no more than two terms as a Member of the Napa City Council.

My positions are financially conservative and socially liberal. I believe, above all, in helping you, my neighbors, to live free, unencumbered by government waste and regulation. We can never forget to be human and help those that are in need of our assistance. I do not believe that major corporations need the help of our government, but our people do. Finally, we need a government that is predictable and consistent, so citizens and business can confidently plan for the future.

I respectfully ask for your support in helping me to build a better Napa City Council and America.
