

Candidate Statement
For
Member of the Napa City Council

JULIANA INMAN

Age: 62

Occupation: Architect, Councilmember

We have made great progress in the past four years on fixing streets and sidewalks, keeping a balanced budget, and improving government efficiency. I have been a leader in City/County cooperation, consolidation of services, carefully managing growth, strengthening local businesses, creating jobs-housing balance, planning for the Browns Valley fire station, and improving the Napa Senior Center.

Currently serving as Vice Mayor, I was elected by the 15 coastal counties' as their representative on the California Association of Local Agency Formation Commissions. I serve on the Local Food Advisory Council and the Napa Flood Control Board, completing major elements of the flood control project.

I have been a Napa business owner for 25 years and have completed many architecture projects in Napa County. My community involvement includes non-profit board memberships for Napa County Landmarks, Rotary, and Founder/Chair of the free local celebration of music and historic porches, Porchfest.

As a parent of twins who attended Napa public schools, and an active school volunteer,
I understand the needs of our local school children.

It has been my honor to serve as your City Councilmember, and I would appreciate your
vote to continue improving Napa's quality of life. www.julianainman.com
