

Member of the City Council

Name: Peter Mott

Age: 54

Occupation: Councilmember/Business Owner

As a Councilmember and local business owner, I understand the consequences of the choices we make. Over the last eight years, I've worked to provide the leadership our city needs to prosper while maintaining our uniqueness, controlling growth, and protecting our environment. My 30-year background as a business owner has provided a much-needed financial focus to the Council, helping our city wade through the difficulties of the recession and return to prosperity. I'll continue working to create local jobs and facilitate economic growth.

Together, we've made a lot of progress for the City of Napa: the significant increase in street and road resurfacing, the planning and funding of fire station 5 in Browns Valley, the two-thirds cut in homeless issue complaints, creating "Napa on Ice" our holiday skating rink, fully staffing our police department, the opening of five new parks, and the approvals of additional revenue generating projects to return us to a balanced budget.

While much has been accomplished, more remains to be done. I hope you will grant me the opportunity to continue serving as your Councilmember. With your help, we will continue creating a bright future for the City of Napa. I respectfully ask for your vote.
