

NOTICE

Please be advised that the City of Napa will be relocating the permit parking spaces from surface lots A and B, which are 3-hour lots, to all-day parking facilities.

Effective January 1, 2017, permit spaces will be located at the following:

- Pearl Street Garage, Level 2 Ramp 13 permit spaces
- Clay Street Garage, Level 2 10 permit spaces
- Second Street Garage, Level 3 26 permit spaces
- Lot X 10 permit spaces

A parking map is provided on the reverse side of this flyer.

As part of the Downtown Parking Management Plan, the City is taking steps to ensure short-term parking is available for short-term parking customers, and all-day parking is available for and better utilized by all-day parking customers.

If you have employees who need to park longer than 2-3 hours, please encourage them to use the all-day parking facilities. If you have questions or comments, please contact Shari Cooper at scooper@cityofnapa.org
